Hi Tavares,

I am following up on the status of the [REDACTED] resubmitted samples to the drug lab. All samples have now been brought back by Fall River PD and are in the hands of the chemists. The two chemists, Kate Corbett and Peter Piro have indicated to me that they have almost completed analysis and all paperwork should be completed and reviewed by next week. I have included them on this email so that you may request their notes as needed.

If you need any further assistance please do not hesitate to be in touch.

Thank you,

Elisabeth O'Brien
